Near Old State Bank of India, Mannijot Chowk, Bhanwapur Road, Siddharth Nagar (U.P.)

All laboratory investigation have there limitation which are due to limits of sensitivity and specificity of individual test procedure as well as the specimen by the laboratory. Laboratory investigation alone never confirm the final diagnosis of the disease. Laboratory test only help in arriving at a diagnosis in conjunction with clinical presentation and other related investigation.

This report is perusal of the doctors only and not valid for medico-legal purpose.
